Dear Mr. Ryan:

Enclosed are amended reports for August 2000 (7/1/00 - 7/31/00), September 2000 (8/1/00 - 8/31/00), October 2000 (9/1/00 - 9/31/00), November 2000 (10/1/00 - 10/18/00), December (10/19/00 - 11/30/00), and January 2001 (12/1/00 - 12/31/00).

We have received your letters of May 30, 2001, regarding our 30 Day Post-General Report (10/19/00 - 11/27/00) and our Year End Report (12/1/00 - 12/31/00). In connection with our own review of the past year reports and an audit by our CPA firm we discovered several errors, which we believe occurred as a result of turnover in our accounting staff in the last half of 2000. We also discovered some system problems in the course of our review, but have already installed a new system for data collection, accounting, and reporting. Following is a detailed explanation of all corrections:

On the August report (covering period 7/1/00 - 7/31/00), we mistakenly included receipts totaling \$1,250.00 from Unknown contributors. These receipts have been removed from Schedule A. Also on the August report, the Schedule A did not include a contribution from Ronald Lindberg for \$100.00. There was no address on record for Mr. Lindberg at the time, and for this reason the contribution was not listed when the Schedule A was generated.

On the September report (covering period 8/1/00 - 8/31/00), we mistakenly included receipts totaling \$765.00 from Unknown contributors. These receipts have been removed from Schedule A.

On the October report (covering period 9/1/00 - 9/30/00), we failed to report the following disbursement activity: an operating expenditure of \$15,244.59, seven voided checks totaling \$8,500.00, and a refund of a contribution for \$365.00. The failure to report the operating expenditures, which also occurred for November and December, was due to a system
